A collection of fresh ingredients is arranged on a dark wooden surface. At the top right is a sprig of rosemary and several garlic cloves. Below them is a white ceramic pitcher filled with yellow oil. Further down are fresh basil leaves, a whole onion, and a wooden spoon filled with dark red spices. Next to it is another wooden spoon filled with white salt crystals. Below the salt are two lime halves and a small wooden bowl filled with a mix of black, white, and red peppercorns. At the bottom are a red chili pepper, a green chili pepper, and a wooden fork. The text "Enlivening the Senses" is written in a white, sans-serif font across the green chili pepper.
